Drawer and Pull Out

17.09.2020
ID 5084

Flexible drawer compartment system

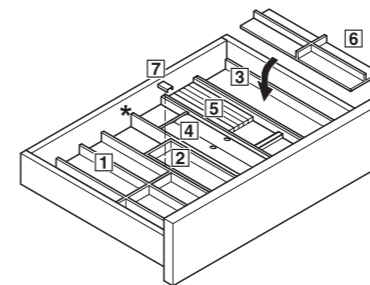

Made from wood

- > High-quality trays made from real wood
- > The combination of trays and non-slip mat allows a configuration which is independent of the width and drawer side runner system
- > Depth adjusting strips for nominal length up to 650 mm allow any drawer side runner system
- > 110 mm high inserts for pull out for door front fixing

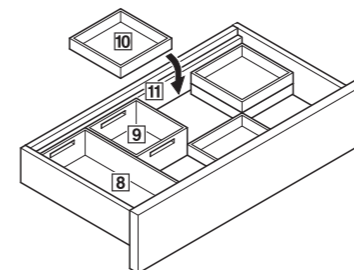

- > Area of application: Compartment system for drawers, for width optional use in all common drawer side runner systems and wooden drawers
- > Material: Boxes/elements: Real wood, base panel: MDF 4 mm veneered with oak/ash black
- > Finish: Oak or ash black, stained, with PUR lacquer lacquered
- > For nominal length: From 500 mm
